7 Learning Outcomes

The student will be able to

- Create significant improvements in organizational operational performance
- Employ techniques to measure quality control
- Develop basic materials requirements schedules
- Analyze the importance of facility layouts
- Utilize aggregate planning, distribution planning, and inventory management
- And demonstrate an awareness of the importance of operation and supply management to the sustainability of the work environment.

1 Occupation title: This is the title of the occupation used by the service.

2 ACE ID number: All occupation ID numbers have three-letter codes that identify the service. MOS means an Army occupation, NER is a Navy rating, NEC is a Navy Enlisted Classification, NWO is a Navy Warrant Officer, LDO is a Navy Limited Duty Officer, MCE is a Marine Corps enlisted occupation, MCO is a Marine Corps Warrant Officer, CGR is a Coast Guard rating, CGA is a Coast Guard Aviator and CGW is a Coast Guard Warrant Officer.

3 Exhibit Dates: These are the dates that apply to this version. Use the version that corresponds to the date the student achieved the highest rank listed in the occupation.

4 Team Review Date: This is the date the occupation was evaluated by a team of faculty reviewers. Team reviews must occur at least every 10 years.

5 Paygrade: The ranks or paygrades of this occupation are listed here. Scroll down to select a specific rank.

6 Credit Recommendations: Recommendations are tied to the service member's rank or skill level. Use the appropriate recommendation for the service member's current rank or skill level. The credit recommendation identifies the course subject area, academic level, and semester hours.

7 Learning Outcomes: Click on the individual credit recommendations to see the associated learning outcomes or related competencies. They describe what the student is expected to know, understand, or be able to demonstrate at the end of the course. Note that records evaluated before 2006 do not have any additional data.

8 Description: Describes the official mission of the occupation and its primary duties. Synthesizes the skills, competencies, and knowledge of the service member in this occupation.
